

# ENGELBREKTSTRÄFFEN SRA 2025

## Match description

### Introduction

Engelbrektsträffen SRA 2025 is the first open invitation SRA-match in Sweden. For the last few years, we have arranged club level competitions and regional cup competitions. As the sport is expanding in Sweden we thought that it was time to host a proper open invitation match for SRA shooters worldwide (albeit mostly around the Baltic sea).

As this is our first larger competition, we surely will make some mistakes along the way. We are very grateful for any feedback and ask for your patience should there be any problems. After the match feedback can be sent to [info@fvskf.se](mailto:info@fvskf.se) and will be reviewed during the match organizations after action review.

We hope that this match will be a catalyst in the evolution of SRA shooting in Sweden.

### **Our sponsors**

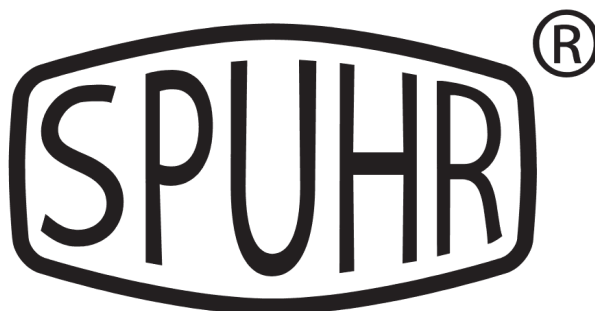

We wish to thank the sponsors for this match. They make it possible to host the match and have fantastic prizes for the top shooters. We are very grateful! All of the sponsors are companies that we actually buy stuff from and use for both competition and duty use. It can't get any better than that!

## **The history of Engelbrektsträffen**

For many years, Engelbrektsträffen was a competition arranged by the Västmanland Voluntary Defence Education and Training Federation. The competition was Nordic field shooting with rifle, submachine gun, or assault rifle and both military personnel and voluntary sharpshooters participated. Continuing this tradition as an SRA competition was a natural step given the evolution of military shooting sports.

The competition is named after the folk hero Engelbrekt Engelbrektsson, famous for leading the peasantry in several uprisings against the Danish crown and its bailiff in Västerås in 1433 and 1434. He is also credited with the gathering of the first Riksdag (Swedish parliament) in 1435 in nearby Arboga. As a fighter for both Swedish independence and the rights of the common man, as well as a native of the province, he is a fitting symbol for voluntary national defense activities in Västmanland.

## **Tactical situation**

The match is based on a scenario in which the enemy has crossed into NATO territory in northern Europe and the Baltic states.

You are serving as a light infantryman in Division North. Your battalion is tasked with patrolling the FLOT (forward line of own troops), defending key terrain, and harassing the enemy with ambushes and raids. The terrain is mainly deep forest, dense with pine and spruce trees, forcing the mechanized enemy to use roads for fast maneuvering. The enemy is heavily reliant on the use of drones, emphasizing our need to stay under the cover of trees as much as possible. With short shooting distances and few built up areas you are well off with your carbine, but some operations might warrant the use of a marksman rifle. And you will occasionally need an NLAW...

## **Stages**

Stage descriptions will be provided 1-2 weeks before the match. Notice of this will be provided through SSI. Preliminary stage descriptions are available in SSI, however these may be subject to change.

## **Scoring method**

The match will be scored online via SSI. The shooter will provide a signature on the scorekeepers phone or tablet after the scoring is completed on each stage.

## **Arbitration**

An arbitration committee will be assembled should it be necessary. It will consist of the match director as chairman without the right to vote and three qualified SRA ROs not belonging to the match organization.

The arbitration fee is 200 SEK to be paid before the committee provides its ruling.

## **Verifications**

When all squads have finished all stages the verification time will be announced at the stats office. The verification time will be 10 minutes.

## **Payment of match fee**

Match fee is to be paid before the 15<sup>th</sup> of September. Payment is made through SSI (Worldline; Swish, Vipps, MobilePay, Credit Card). In case of technical issues regarding payment please contact the match organization through SSI or [info@fvskf.se](mailto:info@fvskf.se).

## Check-in

Check-in opens at 0800 on match day at the competition central.

## Match briefing

The match briefing and safety brief is held at the competition central at 0830.

## Logistics

### Restrooms and showers

**Please note that there are no restrooms, showers or running water within the competition area. There is however an operational outhouse with handwash utilities.**

### Accommodations

#### Hotels

Brukshotellet Skinnsberg (Skinnskatteberg 12 km) – B&B standard, quite economical, has a sauna.

Färna Herrgård (Färna 1,5 km) – Hotel standard, quite expensive, has a large spa.

#### Tent sites

It is possible to set up tents at the shooting range. Please contact the match staff at least two days prior to your arrival if you plan on tenting.

### Food and drinks

If possible some drinks and snacks will be sold at the competition area, however the competitor should bring their own supplies for sustainment. As previously stated there are no running water to refill bottles etc.

There is a grocery store in nearby Skinnskatteberg (ICA Berghallen, Centralvägen 1, Skinnskatteberg) open daily between 07.30 and 21.00.

There are pizzerias in Färna (1,5km south) and in Skinnskatteberg (12 km west).

### Parking

There will be limited parking spaces in each area. Please try to gather as many shooters per car as realistically possible.

Cars that will not be used during the event can be parked at a spot within 150m from the competition central. It is just northwest of the large intersection.

## Contact and information

### E-mail

For questions regarding the competition email [info@fvskf.se](mailto:info@fvskf.se) or use SSI's message function.

Welcome to Engelbrektsträffen SRA 2025!
